

# Welcome...

SPACE just turned 25 years old this year. Never thought it would last this long but incredibly happy it did. It has been a big part of my life and has actually changed me for the better. I have met a lot of diverse people that I probably would not have otherwise. My hope is that while this little show will never make anybody materially rich, I hope people leave much richer for all the new friends and kindred souls you will meet here and from all the incredible art that has crossed our threshold. It has truly been a privilege to have some small part spreading the comics joy. Hope you enjoy SPACE and leave with many riches in your backpack and your heart.

As always, this show is dedicated to the memory of my late wife, Kathy, whose spirit is gratefully still felt in these walls.
